TRIP COSTS AND RAISING MONEY - Continued

13. When is the deposit due?

The non-refundable deposit is due at the time of online application.

14. Will I receive a trip statement?

Statements can be viewed on your GO Admin account under Application History/Balances. This statement shows donations/payments received toward your account (this will include each donor's name and amount).

15. How do I receive donations toward my trip cost?

Each team member will be set up with an account at Spread Truth Ministries. This account is specified by the team member's id number. Team members will receive their member id number via email within 3 business days after their application and deposit are received by Spread Truth Ministries. Their account is where donations/payments will be deposited. Donations should be mailed directly to the Spread Truth office at 306 N Main St, Bloomington, IL 61701. Donations and payments by check should be payable to Spread Truth Ministries. All donations made payable to Spread Truth Ministries are tax deductible. We cannot accept checks that are made payable to an individual team member. Checks that are returned from the bank for non sufficient funds will incur a \$5.00 service charge to the team member. Team members are encouraged to send out their support letters as soon as they sign up for the trip. It is recommended that you only give your donors two (2) weeks from the date you mail the letters for which to turn in their support donations. This is for two reasons: generates urgency of the need and allows you the opportunity to raise additional support should those donors not come through for you. Team members should reference their member id number on all support letters sent.

16. Do you have support letters I can send?

Support letters for all ministry tracks are available through your GO Trip account once you register an account. These are form letters that can be personalized with your personal information. Team members should reference their member id number on all support letters sent. Please review the Support Letter Strategies for tips before completing and mailing support letters. Donors can now give online to your account at go.spreadtruth.com/donate. You must have a member id and completed the online application process for donors to donate online.

TRIP COSTS AND RAISING MONEY - Continued

17. What are my payment options?

By check: mailed to and made payable to Spread Truth Ministries Inc. Include your member id number in the memo line of check. By credit card: Online with credit card through your account.

18. What other costs can I expect to pay?

Meals and travel are not included in the price of the trip. Participants are allowed (by the IRS) to raise support for up to \$66 per day (maximum of \$396 for 7 day trip participants/\$198 for 4 day trip participants) over the cost of the trip for meals. Any additional funds that are raised beyond the cost of the trip and the daily meal allowance may go towards reasonable travel costs (if booked through Peoria Charter). If after trip, meal, and travel costs have been met, any additional donated funds will be placed in the Spread Truth Ministries general fund to purchase evangelism materials.

Money raised for food and travel allowances will be accepted until June 16. Team members will be reimbursed by check, which is mailed 5 business days prior to the trip.

Trip participants are responsible for any unforeseen expenses that may be incurred while on the trip, including but not limited to: missed connections, weather delays, extra hotel nights, additional meals, room damages, and medical expenses. Peoria Charter will supply trip participants that purchased trip insurance through them appropriate claim forms for covered reimbursable expenses.

19. What if I raise more funds than my trip costs and meal money?

Excess funds will not be transferable to other trip members, unless it is an immediate family member (spouse, parent, child, and sibling). In addition, excess funds will not be transferable to future trips. Excess funds raised over the initial cost of the trip and meal money will go into the trip general fund to pay for operational expense with each track. **Meal and travel money can be raised until June 16. Donations received after June 16 will automatically be placed in the general trip fund unless it is going to pay off a trip balance.** According to IRS guidelines, tax-deductible donations are at the sole discretion of Spread Truth Ministries.

20. Do I have to have medical insurance to attend the trip?

While it is not required we prefer that all team members have medical insurance coverage while on the trip. Anyone not covered under a regular policy will be asked to sign a medical insurance release form that indicates they will be responsible to pay any out of pocket expenses for medical insurance.

21. Does Spread Truth Ministries offer trip insurance?

No, however Spread Truth recommends purchasing a travel protection plan to help protect yourself and your investment from the unexpected. Consider travel protection for Trip Cancellation/Trip Interruption, Emergency Medical and Emergency Evacuation/Repatriation, Trip Delay, and more. ***This trip insurance must be purchased at time of booking travel through***

Peoria Charter to cover pre-existing conditions.

MINISTRY TRACKS

34. What are ministry tracks?

Spread Truth Ministries offers three options to minister during the week in New York City. Every team member will participate in all group meetings including Sunday evening, Monday through Friday mornings and Friday evening. The ministry track is where team members will serve during the day.

- Track 1: Streets and Parks (7 day, 4 day)
- Track 2: Above the Rim Basketball Camps (7 day only)
- Track 3: One Touch Soccer Camps (7 day only)

Track 1: Streets and Parks

The Streets and Parks track is evangelism training with experience. The morning of day one will be spent in The Story Review, with the remainder of your day at either a park or prayer station. The rest of your week will be spent in the parks and at prayer stations. In the parks, you will have the opportunity to ask 4 thought provoking questions as a lead in to sharing the Gospel. The prayer station is a unique ministry tool. As people stop for you to pray for their earthly needs, this allows you to share with them their spiritual need for Jesus.

Track 2: Above the Rim Basketball

Above The Rim Basketball partners with local churches in urban areas to reach the youth in underprivileged neighborhoods through the game of basketball. Our structured camps provide a loving atmosphere, while reinforcing our motto: "Set Your Mind On Things Above the Rim" with each child (Colossians 3:2). We do this by spending quality time teaching fundamental basketball skills to boys and girls (ages 5 to 16), in addition to intentionally sharing the Gospel. The camp is free to the local church and camp participants. The camp's goal is to assist the local church in reaching those who might never visit a church service.

Track 3: One Touch Soccer

One Touch Soccer follows the same structure as the Above the Rim Basketball Camps. The camp will be open to boys and girls (ages 5-16) teaching them fundamental soccer skills and sharing the Gospel with them daily. We will partner with a local church and the camp will be free to the local church and camp participants.

MINISTRY TRACKS - Continued

35. Can I choose more than one ministry track?

No, each track runs simultaneously during the day. Once you have committed to a track, we request that you stay with it the entire week. We are counting on you for that area of ministry and there will be no switching mid week. If you choose a track on your application and decide to change prior to May 15 please contact our office at 309-452-3213.

36. Are there a limited number of spots available at each track?

We do not currently anticipate having to turn anyone away from the track of their choice; however there are some limits to the numbers we can accept for each track because of the

number of locations and space.

37. If I choose a track, how will I know for sure that I will be participating in that track?

Once team members receive an approval email (3-5 days after application), they are approved for not only the trip participation but also that ministry track. If your ministry track is not available you will be notified to change your ministry track option.

38. Can I choose another track if my first choice is already filled?

Yes, you will have the opportunity to choose another track if your first choice is filled.

39. Do I have to have experience to participate in the specific ministry tracks?

No, experience is not a requirement for any ministry track. There will be training for all ministry tracks. We recommend that in order to make our sports camps more effective and successful those with experience are desired.

40. Can I choose what other team members will be at the ministry track with me?

No, individual team members cannot choose who will be at their specific ministry track or location. However, if a family wishes to be together at a ministry track, we will try to accommodate. When we place you in a group for the week our goal is to place you with at least a few other people from your group/church/location. Through experience we have found that the best mix is to place people together from various groups, this provides bonding with other Christians from across the U.S.

OTHER DETAILS

41. Are there any age restrictions for the trip?

There are no age restrictions for our mission trips. We have had attendees as young as 6 years old and as "young" as 80 years old. We do request that a parent or grandparent accompany children under the age of 13. Older attendees or those with physical limitations can request a slower paced cord group.

42. What is a prayer cord?

The prayer cord option is available for those in the Streets and Parks track only. This is for those who have a passion for prayer. The prayer cord is a one (1) day commitment to stay at the hotel to intercede for your fellow team members. This will not be a lighthearted task. The prayer cord will spend hours praying for each team member, divine appointments, disciples, and specific requests from the ministry tracks. We designate which day you will stay with the prayer team. The information will be enclosed in your registration packet in New York.

43. What are the guidelines for youth?

A parent or grandparent must accompany children under the age of 13 on the trip. Any team member under the age of 18 years old must have their parent complete the liability release form on the participant agreement. Those 13-18 must have a designated guardian attending the trip that is 21 years of age or older. Please indicate on your application who your guardian is) Team members under the age of 18 must have an adult (21 or older) staying in their room while in NYC. Appointed guardians can only be responsible for up to 3 youth unless they are their own children.
